

CROPLANDS CROPPAK 60 LITRE

60 litre CropPak, on-demand 7.6 L/min open-flow pump, 6 metres of spray hose, spray lance and electrical power lead with on/off switch

PRODUCT DETAILS

Make	Croplands
Model	US60S
Tank Capacity	60L
Pump	7.6L/min
SKU	CROPLANDS-29

PRODUCT DESCRIPTION

- Cavity mounted pump - Total protection against the elements and damage. Low pump position ensures excellent priming
- Translucent tank - Easy to see liquid level in the tank
- Rugged design, locally made - Rotomolded tank has uniform thickness and can take high impact force
- UV stabilised tank - Excellent UV resistance. Many imported models have no UV inhibitor in the material

- Large carry handles - Easy handling and for storing hose neatly
- Lance clips onto lid - Ensures neat storage and avoids lance dragging on the ground
- Large filling lid - Helps prevent spillage when filling
- Large suction filter, easy access - Very large filtering area with easy-clean filter screen. Simple and quick to access
- 3-stage filtration - Large filling screen under lid; large suction filter; pressure filter in lance handle
- Heavy-duty power cable - Long, heavy-duty 12 volt power lead with rocker-switch for easy hook-up to your battery
- Quick-clip power connection - High quality electrical connector to the pump with waterproof plug for quick hook up and reliability
- Metal lance with adjustable nozzle - Superior to plastic, higher strength. Many accessories available to fit the lance (see here)
- Large drain - Easy-to-use, large 'boat plug' drain for quick clean-out
- 6 metre hose - 6 metres of high quality 20 bar rated spray hose fitted
