

DUNCAN ENVIRO 740

With solid and rugged construction, the Enviro 740 is built to last with independent front and rear discs for maximised ground contact - excellent for drilling over undulating ground. Fitted press wheels control the seed depth over the entire sowing area for enhanced soil to seed contact and maximised moisture retention.

Seed size:

Small to Large

Operation size:

100Ha-300Ha

Available options:

15, 17, 19, 21, 23 and 26 row models

See specs for full details of options

PRODUCT DETAILS
