

DUNCAN VINEYARD SEEDER

Designed for versatility and ease of sowing in vineyards and orchards. The drill is mounted on 3PL with ground wheels to set the sowing depth.

At only 1.8m wide, this little double disc gem is designed specifically for planting between rows in vineyards and orchards, and the linkage hitch makes it easy to get in and out of the rows at the headlands.

Seed size:
Small to large

Operation size:
Up to 100Ha

PRODUCT DETAILS

Make	Duncan Ag
Model	Vineyard Seeder
No. Rows	10
Sowing Width	1800mm
Overall Width	1835mm
Overall Length	1610mm
Weight	660kg
Box Capacity	209L

Row Spacing 180mm

PRODUCT DESCRIPTION

It's fitted with side guards to protect the gearbox and flap handles from the vines, so you can be assured the seeder settings don't get knocked, and it will operate correctly all day long.

The double disc system can be used with or without press wheels, and will sow into the rough and rocky conditions that vineyards are known for, to establish a cover crop in one pass.

The powder coated Vineyard Seeder looks good, it's tough and it will be a valuable asset to your horticulture or viticulture operation for many years.

- Large diameter discs to cut through trash
- Peg tooth roller units for sowing a variety of seeds and fertilisers
- Rear foot board
- Weather skirts to protect the outlet units in damp conditions
- Weigh kit to weigh seed and fertiliser
- Twin boxes
- Simple calibration system
- Agitator shaft prevents seed compaction and vees in the bottom of boxes to improve seed flow
- Press wheels are optional
