PRODUCT DESCRIPTION

Incredible power to weight ratio with the robust build standards ECHO is famous for.

Professional engine

Featuring a 40.2 cc professional grade engine, giving exceptional power and performance.

Compact, ergonomic design

ECHO chain saws are all designed to the same professional standard, with no exceptions. Hard working, high quality with renowned Japanese build standards.

Bar and chain

With a 43cm (17") guide bar, the CS-420ES is a mid-range, low emission chainsaw that could be used by tree surgeons or farmers for felling trees and logging.

Power to weight ratio

Super light-weight design with exceptional power.

Ergonomics

Designed to maximise efficiency and comfort.

Easy start engine

ECHO's patented system for effortless starting.
