PRODUCT DESCRIPTION

Featuring a 62cm double sided blade with precision cut blades for clean finishing in all conditions. The DHC-200 is low noise, low vibration and produces 0 emissions, making it ideal for working in noise sensitive areas and in close proximity to the public.

Energy Efficient Motor Controls

Intelligent system optimises motor speed, power delivery and battery heat for best performance.

Variable Speed Control

Control cutting speed to achieve perfect trimming in a variety of situations.

Ergonomic Front Handle Design

For ultimate maneuverability and user comfort.

Professional Series Warranty.

The professional series is backed by the same industry leading warranty as its petrol stablemates; 2 year professional use and 5 year domestic use warranties on tools, as well as a 2 year warranty on all batteries. ECHO products are built to the highest levels of quality and performance so you can have total confidence in our tools.

Light Weight

Engineered to weigh less whilst retaining robust durability.

Low Noise

Suitable for use in noise sensitive areas.

Low Vibration

Battery powered engines produce far less vibration than their petrol counterparts.
