PRODUCT DESCRIPTION

Built to the same professional standards as all ECHO tools, the DPB-600 features variable speed control, throttle with cruise control and a rotational control pipe that prevents the blower from pulling in towards the operator's leg, increasing accuracy and efficiency.

Energy Efficient Motor Controls

Intelligent system optimises motor speed, power delivery and battery heat for best performance.

Variable Speed Control

Control blowing speed for optimal results in different situations.

Throttle with Cruise Control

When the job's going smoothly, flip the switch for cruise control.

Professional Series Warranty.

The professional series is backed by the same industry leading warranty as its petrol stablemates; 2 year professional use and 5 year domestic use warranties on tools, as well as a 2 year warranty on all batteries. ECHO products are built to the highest levels of quality and performance so you can have total confidence in our tools.

Light Weight

Engineered to weigh less whilst retaining robust durability.

Low Noise

Suitable for use in noise sensitive areas.

Low Vibration

Battery powered engines produce far less vibration than their petrol counterparts.
