## PRODUCT DESCRIPTION

Superbly balanced professional grade long reach articulating hedge trimmer. Powered by a professional grade engine and with a robust, non-flex shaft. Part of the ECHO X-series which means industry leading performance and features.

### Professional engine

Featuring a professional grade 25.4 cc petrol engine for effortless trimming.

### Compact design

Designed to be lightweight and ergonomic with perfect balance to maximise precision and minimise operator fatigue.

### Adjustment system

The adjustment system enables the blade angle to be rotated through 135° only using one hand.

### Clean Finishing

Designed for clean and precise cutting.

### Low Vibration

Vibration reduced by ECHO anti-vibe technology.

### Easy start engine

ECHO's patented system for effortless starting.
