The EGO POWER+ 52cm Select Cut Self-Propelled Mower delivers performance that meets or exceeds the power of petrol. The Select Cut™ multi-blade cutting system is equipped with a dual blade set-up that is interchangeable for premium Mulching and premium Bagging. The EGO Upper Blade in combination with the lower blade selection will slice the grass into fine fragments; this greatly enhances cutting performance with all grass types. EGO's Self-Propelled Touch Drive™ Technology comes from years of research and development. Touch Drive™ Technology puts complete control of the self-propelled system in the palm of your hands by using pressure to engage the system. Easily control the variable speed with a dial positioned at your fingertips for safe and convenient operation.
