No matter what you've got to feed, the new Giltrap MultiPlus Feeder will get the job done efficiently with minimal waste.

With 3 sizes from 13 to 18 cubic metres, we have something to suit most operations.

KEY FEATURES

- Handles multiple round bales
- Low centre of gravity with optimum ground clearance
- The tub body is designed to hold chopped bales
- Heavy roller chain on the floor with rolled hollow section bars for strength
- Can feed to either side with a bale shredder on the right side and a chain & slat feed elevator on the left
- Heavy duty tandem axle and flotation tyres
