

## GRILLO CLIMBER 7.18

Hydrostatic blade flail mower with differential lock, front safety brakes and electromagnetic clutch, it is ideal for cutting tall grasses, scrub and brambles on slopes and uneven ground. With the performing 15.2 HP engine, Grillo Climber 7.18 is able to climb in complete safety and is effective in cleaning rustic areas, in agriculture and in green maintenance.

The extreme maneuverability, the smooth steering and the working speed make Grillo Climber 7.18 quick and efficient, and at the same time simple and pleasant to use. A flail mower for everyone!

### PRODUCT DETAILS
