

## GRILLO FD 13.09 STAGE5 4WD MOWER

The FD 13.09 4-wheel drive hydrostatic lawnmower is specially designed for cutting and collecting grass. The wide plate and basket, combined with an extremely small turning radius, make it the ideal tool for maintenance technicians. The permanent integral 4WD system allows you to do an excellent job in safe conditions on any type of slope. FD 13.09 is unsurpassed for the maintenance of gardens in schools, public parks, sports facilities, camping, riding schools and wherever a beautiful aesthetic effect and effective cleaning are required.

### PRODUCT DETAILS
