

HOWARD EHD 240 SLASHER

Unlimited HP rating.

The EHD slasher is the benchmark for all slashers. No other brand has our history of rugged reliability and low running costs. Our confidence in the EHD is backed by an unlimited horsepower rating as the gearbox is fully fabricated from steel and fitted with a forged one piece blade beam spindle. This is all backed up with a TWO YEAR GEARBOX WARRANTY. A preferred choice for many contractors and municipal users as the EHD is built for optimum safety, performance and service life.

* HP rating unlimited at 540rpm PTO speed when friction clutch is correctly adjusted.
