

HUSTLER PATENTED FLOATING EQUALISER BAR

A whole new level of precision bale handling, that's easier-to-use!

Provides unparalleled loading/stacking ease of use - back out of bales without moving the adjacent bale, turn whilst backing out of bales allows for use in tighter spaces. Keeps the hands moving simultaneously, providing all the precision and safety of a fixed Equaliser bar. Full stroke side push - for pushing bales up tighter together. Reduced side loads on the front end loader.

PRODUCT DETAILS

Make	Hustler
Model	PATENTED FLOATING EQUALISER BAR
SKU	HUSTLER-FEB

PRODUCT DESCRIPTION

Reduces side loads

The Equaliser Bar reduces side loads on the front end loader to preserve your gear.

Fits all Hustler's Softhands models

The Equaliser bar can be fitted on any Hustler's Softhands bale handlers/grabbers/huggers. Comes as an optional upgrade on the Softhands LMIOO and comes as standard on the Softhands LX200
