

KIOTI HX1301 TRACTOR

Kioti has entered its next chapter – a premium tractor with a luxurious design and extreme power thanks to top-of-the-line specs. The ergonomically designed cabin reduces fatigue and maximises convenience for the driver.

Ease of operation was at the forefront of development of the HX, so the electronic armrest and Powershift lever are conveniently located on the right-hand side. A premium passenger seat is a feature of the spacious cabin, creating an environment where comfort is the overriding priority.

The curved window shield meets the roof, providing maximum peripheral vision. This enables accurate and safe loader operation, as well as an incredible view from the cab. And that's just the beginning of the HX.

PRODUCT DETAILS

Make	Kioti
Model	HX1301
Horsepower	130hp
Transmission	32 x 32
Fuel Capacity	230L
Weight	4853kg
Loader	Standard

SKU KI-HX1301

PRODUCT DESCRIPTION

Features:

- 130HP
- 8 Speed Powershift
- Auto Powershift
- 32 x 32 Transmission
- Limited Slip Differential
- Closed Centre Hydraulics
- Multi-Functional Armrest

ENGINE

Built with a 3.8L 4 cylinder diesel engine at 130hp, the HX achieves optimum engine performance, thereby increasing work productivity.

POWERSHIFT

A simple button operation on the side speed lever and armrest gives you a 32x32 transmission with an 8-speed Powershift in 4 ranges.

LOADER JOYSTICK

The multi-functional loader joystick is built with 3rd service and Powershift buttons, simplifying loader working conditions for the user.
