

KIOTI PX1052 CAB FARM TRACTOR

The new PX range with a weight of 4 tonne is designed for serious farming and is the ideal tractor for front end loader work. With a large 120 litre fuel tank and a fuel efficient engine, the PX is able to work a long time between fuel breaks. Equipped with hydrostatic power steering, the PX provides smooth responsive steering that requires minimal operator effort and is ideal for loader work.

PRODUCT DESCRIPTION

Standard Features:

- 105hp Diesel Engine
- Power Forward / Reverse Shuttle
- 32 x 32 Transmission
- Push Button Hi / Low Powershift
- European Designed Wet Clutch
- 4WD with Diff Lock
- Power Steering
- Auto Hydraulic Independent PTO

Engine & Transmission

The new PowerShuttle on the PX1052 provides smooth and easy shifting from forward to reverse without depressing the clutch pedal. The new designed transmission features 32 forward and 32 reverse gears to handle all kinds of jobs. The Hi-Low ranges and gears can be changed by simply pushing the HI/LOW buttons and clutch button on the main gear lever without depressing the clutch pedal. The 2 speed PTO 540/1000 with auto stop function is standard on all PX models.

Operators Station

Kioti upgraded the interior of the new comfortable Luxury Cabin with a fully adjustable suspension seat right hand armrest, easy visible dash instruments and easy access to controls and buttons. Levers and buttons are color coordinated for better distinction and safety. Air Conditioning, heating and ventilation provides the extra comfort for the operator in tough Australian conditions. Cab models are equipped with a Radio / CD player, cup holders and Sunvisor.
