

# MASCHIO GASPARDO ROTARY HOE - PANTERA 470L

The Pantera L series of Rotary Hoes has been designed as an entry level Rotary Hoe suitable for all farming practices. It uses many of the design features of the already proven heavy duty Pantera and refined these for a more basic spec folding Hoe. With road transport an issue, the Pantera L is perfect for the farmer wanting to upgrade to a wider hoe and still be road legal. Optional anti-clogging kits are available to help with the more challenging conditions the hoes can sometimes operate in. With a gearbox rated at 320HP it is ideally placed to suit most tractor sizes.

## PRODUCT DETAILS

<b>Make</b>	Maschio Gaspardo
<b>Model</b>	PANTERA 470L
<b>Working Width</b>	4700mm
<b>Overall Width</b>	-
<b>Tractor HP</b>	200-380hp
<b>Weight</b>	3278kg
<b>SKU</b>	MG-PANTERA-470L
