

MASCHIO GASPARDO ROTARY HOE - PANTERA 570C

The attention paid to the necessities of the professional, the important requests of the farm-contractors and large farms, have allowed to design and produce the PANTERA model, professional folding steering hoe available in three different versions (from 470, 520, 570 & 620 cm) and indicated for powers from 200 to 380 HP.

The rigidity of the structure and the quality of the materials used guarantee high reliability and production, combined with easy and safe road transport.

All Pantera models come with a central speed gearbox and oil cooler. PTO 1000 rpm - Rotor revolution (rpm): 258 optional 330rpm
