## PRODUCT DESCRIPTION

### TRACTION ENHANCING FOUR-WHEEL DRIVE (4WD)

When it's slippery and wet there is no need to fret. The Boomer 25 Compact's standard, mechanically engaged 4WD will power you through the tough spots. With standard power steering and its 4WD axle's tight turning design, manoeuvring the Boomer 25 Compact in tight spaces, even with a full bucket, is easy.

### MORE HYDRAULIC FLOW = EFFICIENT ATTACHMENT OPERATION

Boomer's robust hydraulic system provides 17.4Lpm of dedicated flow for implement/ attachment operation. With over 450kg of 3-PT lift capacity you will be able to make the most of heavy implements like a rotary cutter, box blade or tiller. A separate 8Lpm steering pump ensures low effort maneuvering at all times.

### INFINITE SPEEDS, INFINITE EASE

The 2-range hydrostatic transmission delivers an infinite speed choice to better match your needs. The forward and reverse pedals feature anti-slip rubber pads that are color coded and embossed with their direction of travel for sure, safe operation every time. Lots to mow? Then you will appreciate the standard cruise control which will make hectares and hours fly by.

### POWER TO LOAD, MOW AND MORE

The Boomer 25 Compact tractor features a Stage V compliant, naturally aspirated, rugged, reliable and fuel efficient 3 cylinder diesel engine, delivering 25hp(CV) at 3,000rpm: more than enough to perform your toughest chores. The large fill opening, 25L fuel tank lets you complete more tasks between easy fill-ups. Boomer saves you time and money when it comes to maintenance, too. Convenient access to service points makes performing routine maintenance quick and easy.

### COMFORTABLE OPERATION STARTS WITH THE RIGHT SEAT

Step onto the spacious operator's platform where a deluxe, high back cushion, adjustable backrest seat awaits you. Once in the Boomer's seat you will be surprised at just how much room there is. You will be always informed thanks to a modern, automotive-style instrument cluster, while deluxe pods, which contain transmission range, 4WD, PTO and 3-PT selection levers, surround you and fall intuitively to hand.

### INTEGRATED MOWER DECK

The optional 160GMS mid-mounted mower deck features quick and easy installation and removal, a 1520mm cutting width and side discharge, providing outstanding cutting performance.

### FRONT LOADER

The optional 105LC loader is designed to perfectly fit the Boomer 25 Compact and its high strength design features mechanical self leveling and quick and easy mounting and dismounting. With a useful 455kg lift capacity and 1830mm max lift height, matched to a skid
