

NEW HOLLAND T4.105F - TIER 3 TRACTOR

NEW T4: POWER. COMPACT DIMENSIONS. PERFECT FOR YOUR FARM.

The all new T4 range has been designed to further enhance your mixed, livestock or small arable operation. The natural heir to the acclaimed T4000 range, the five model line-up also replaces the entry-level T5000 models. With a whole host of deluxe options and powerful engines which develop between 74-114hp(CV), you've found your all-round farming partner.

MAXIMUM VERSATILITY

The T4 has been engineered by design to be as flexible as you, and can turn its hand to all farming tasks. The flexible fully integrated front linkage and PTO ensure ultimate versatility whilst the powerful loader guarantees true multipurpose operation. The T4's outstanding agility can be further enhanced with the addition of the optional SuperSteer™ front axle, which delivers true turn on a sixpence manoeuvrability in the yard or in the field, and the T4 can still sneak into even the lowest livestock sheds. Throw in the optional creeper function and you've got every type of farming all sewn up.

ABSOLUTE DRIVING PLEASURE

New Holland knows that you'll be spending long hours behind the wheel of your T4, so it has been designed right around you. The deluxe VisionView™ Cab and Command Arc take tractor comfort and ergonomics to a whole new level with unsurpassed visibility and a range of electronically assisted controls. Impressive rear lift capacity means the heaviest implements are lifted with ease.
