

## PELLENC AIRION 3 BLOWER

Weighing 2.55 kg, and with a patented design, the Airion 3 blower is easy to use and durable in any climate conditions. Designed to meet professional demands for reliability, power and efficiency, the Airion 3 blower can also be used for several hours without fatigue or tension, especially in the wrist. Quiet and powerful, it is effective in an urban setting, near sensitive areas, and in parks and gardens.

### PRODUCT DETAILS

<b>Make</b>	Pellenc
<b>Model</b>	57217
<b>SKU</b>	57 57217

### PRODUCT DESCRIPTION

#### Ergonomic

- The tool stays perfectly balanced during operation, regardless of the speed.
- The lightest hand blower: 2.55 kg with the actual weight of the cable held in the hand.
- Maximum MSD (musculo-skeletal disorder) through respect for vertical axis of work, from shoulder to wrist.
- Angled suction to overcome the swing phenomenon and reduce effort.

#### Productive

- Effective unmatched thrust of 17.5 N
- Actual air flow of 920 m<sup>3</sup>/h with the round nozzle.
