

PELLENC CLEANION MOTORISED CHASSIS SWEEPER

Versatility to withstand all seasons. CLEANION's many accessories make it multifunctional, and with its Zero Turn function, its forward speed and reverse gear, it is very handy as well. The sweeper can be used everywhere in town. It easily goes over curbs thanks to its powered wheels. The fact that it adapts to all surfaces makes it ideal for sweeping pavements, schoolyards, gyms, sports fields, artificial turf or industrial sites.
