

# PELENC PRUNION 250 45MM SECATEURS KIT

The most efficient, economical and lightest electric secateurs on the market (45mm cut), 2nd outlet for another tool.

The PRUNION pruning shear is ideal for growers looking for the most powerful, lightest and most innovative tool on the market. Its grip fits any hand and its large cutting diameter makes it comfortable to prune with.

The numerous innovations of this pruning shear make it indispensable for professionals seeking either freedom of movement with the 150P pocket or the possibility to alternate tools with the 250 battery, which allows users to connect two PELLENC tools simultaneously.
