PRODUCT DESCRIPTION

The Ultimate Getaway Vehicle

When you aim to get far away from the crowd, you need a machine that can keep up with your ambition and elevate every off-road experience. With a 64" stance, 30" Pro Armor tyres, all-new Polaris HD PLUS 4,500 lb winch, high clearance A-arms and Walker Evans Velocity shocks, XP is the very best adventure side-by-side off-road has to offer.

- Poly Sport roof
- Low-profile sport bumper
- Polaris HD Plus 4500lb winch
- 272.16kg dumping cargo box
- 35.56cm suspension travel
- High clearance A-arms
- 30" Pro Armor Crawler XG tyres
- True On-demand AWD with Versatrac turf mode
- Premium half doors

PERFORMANCE WHERE IT MATTERS

Going further, faster. Getting away from it all. That's the point of adventuring off-road. With XP's ultra-responsive 100 horsepower engine, 35.56cm of suspension travel and 34.29cm of ground clearance, you'll be set-up to get the most out of every moment.

VERSATILITY FOR EVERY ADVENTURE

Adventure is all about being ready for whatever the trail puts in your path. That means having a machine prepared so you can get out and stay out. With its 272.16kg dumping cargo box, 499kg payload capacity and ability to tow 680.4kg, GENERAL XP 1000 is all good so you can just go.

Long-Haul Comfort

When you're in the middle of a ride, you don't want to be distracted by the rough trail. That's why GENERAL offers best-in-class comfort for even the longest in-seat experiences. Rocks and ruts are absorbed by class-leading sport-tuned suspension, paired with the bolstered bucket seats and half-doors, you'll be able to explore in comfort and ready for what is next.

STAY ON TOP OF THE TRAIL

Comes equipped with 15" aluminum racing wheels and 30" 8-ply off-road tyres to give you sure-footed traction and confidence-inspiring

strength so you can tackle the roughest terrain.

TACKLE THE TOUGHEST TERRAIN

Climbing up rocky crawls and powering through rutted trails can be a blast. But bottoming-out can end a good time in a hurry. XP has 34.29cm of ground clearance so you can float over obstacles that would make others stop in your tracks.

EQUIPPED TO ENDURE

Epic adventure starts with strong foundations. Equipped to endure with the widest stance in the adventure side-by-side market to keep you rooted as you twist and turn through unexplored trails.

The Power to Pull-Behind

Whether you need to haul firewood to camp, carry gear for a long stay in the wild, drag logs off the trail or pull a trailer full of toys, you can do it all with XP's 680.4 kg tow capacity.

Recover-Ready Pulling Power

The all-new Polaris HD Plus 4,500-lb winch with new fairlead and upgraded synthetic rope will help you confidently clear downed logs, get out of tough situations or set your line up a steep climb.

Haul More of What Matters

Be prepared with all the essentials for a long day of adventuring. A 272.16kg dumping cargo box gives you the versatility to haul all the gear you need for any adventures.
