## PRODUCT DESCRIPTION

### ENGINEERED FOR WORK

RANGER 1000 gets its grunt from a purpose-built, single overhead cam engine that delivers 61 horsepower. Its smooth, quiet power and outstanding low speed performance help you take full advantage of the improved class-leading 1,134kg towing and 453.6kg box capacity.

### DESIGNED FOR COMFORT

When you spend all day off road you deserve to be comfortable. RANGER 1000 surrounds you with improved plush seats, tilt steering, a cab full of convenient 70.4 litres of storage and ample room to get in and out. Plus, enjoy the smooth ride you expect from RANGER with 25.4cm of suspension travel.

### BUILT TO LAST

When rocks, ruts, logs, and mud are the only roads you drive, you need a machine that's built for it. That's why we gave the RANGER 1000 a strong one-piece chassis, a full-body skid plate, sealed bushings and bearings, and a beefed up front drive to handle the toughest jobs.

### FRONT-END PROTECTION

Premium comes standard with a full front bumper and CV guards protecting wheels and control arms from rocks and sticks.

### IMPRESSIVE GROUND CLEARANCE

26 inch tyres deliver an impressive 31.75cm of ground clearance, enabling you to conquer tough jobs and navigate rocky terrain.

### EXTEND YOUR DAY

All-new LED headlights on all Premium models to help start your day earlier and finish later.

### SPACIOUS, REFINED INTERIOR

Enjoy a full-day of riding surrounded in comfort with the many improvements made to the in-cab experience. Specifically, the premium steering wheel.

### VERSATRAC TURF MODE

For work around the house, unlock the rear differential for easier and tighter turns that won't tear up your lawn.

### IN-CAB STORAGE

For your smaller but necessary items, take advantage of the 70.4 litres of easy-to-access, in-cab storage.

#### BATTERY CHARGING PORT

Form meets function with the dash mounted charging port. Conveniently and safely charge your battery so you know your vehicle is ready to work when you are.

#### VERSATILE CARGO BOX

Maximize the 453.6kg cargo box to hold various tools, materials and gear, plus take advantage of the gas-assist dump box to easily unload items.

#### HAUL MORE, GET MORE DONE

Connect your trailer to the standard 5cm receiver and maximize the industry-leading 1,134kg towing capacity.

Designed so you can easily customize your vehicle with Lock & Ride components including windshields, roofs and storage solutions plus winches, bumpers and more.
