PRODUCT DESCRIPTION

UTILITY OR RECREATION

After a long week of work, take a break, pack-up your RANGER 570 and take it down to the river for a relaxing day of fishing with friends and family. With the 1,000 lb Payload Capacity and 500 lb Box Capacity you have all the room you need to haul your gear for a full day trip.

ADJUSTABLE TILT STEERING

Utilize the tilt steering to adjust the position of the steering wheel to easily enter and exit the vehicle.

VERSATRAC TURF MODE

For work around the house, unlock the rear differential for easier and tighter turns that won't tear up your lawn.

STANDARD 2" RECEIVER

Connect your trailer to your RANGER with the standard 2" receiver and maximize the impressive 1,500 lb towing capacity.

PROPERTY MAINTENANCE

There's always another job to do around the property. The RANGER 570 comes standard with a versatile cargo box and makes it easy for you to load and unload supplies for the job.

GAS ASSIST DUMP BOX

For the larger loads, utilize the gas assist dump box to unload the bed of your RANGER.

HAUL MORE

Take advantage of the versatile bed box and haul all up to 500 lbs of your work supplies needed to get any job done.

PURPOSE-BUILT ACCESSORIES

Upgrade your RANGER with the easy-to-install Polaris Engineered Accessories. With the Lock & Ride functionality, you can easily create a more versatile box, haul more, and protect your SxS from the elements.
