Ground Clearance	27.9cm
Towing Capacity	680kg
SKU	PRANSP530

PRODUCT DESCRIPTION

GREAT FOR WORK

The RANGER SP 530 has the hauling power you need for jobs big and small. The standard 50mm hitch receiver can tow up to 680.4kg with a 226.8kg dump box, so you can efficiently transport more tools or supplies. A new single-handle tailgate allows for quick and easy access to dump mulch, logs and other cargo from the box.

PERFECT ON ANY TERRAIN

Get instant traction thanks to the True On-Demand All-Wheel Drive, which provides power to all four wheels when traction loss is detected, for safe maneuvering over rocky, wet and muddy terrain. The Ranger SP 530 is also easy on the lawn due to the specialized Turf Mode, which unlocks the rear differential for easier and tighter turns that keep your lawn in top condition.

ALL-DAY COMFORT

Confidently soak up rough terrain with 25.4cm of independent rear suspension travel and rise over obstacles with 28cm of ground clearance, delivering the smoothest ride in mid-size utility. Enjoy the added convenience and comfort with an adjustable tilt steering wheel.

UTILITY OR RECREATION

After a long week of work, take a break, pack-up your RANGER SP 530 and take it down to the river for a relaxing day of fishing with friends and family. With the 680.4kg Payload Capacity and 226.8kg Box Capacity you have all the room you need to haul your gear for a full day trip.

ADJUSTABLE TILT STEERING

Utilize the tilt steering to adjust the position of the steering wheel to easily enter and exit the vehicle.

VERSATRAC TURF MODE

For work around the house, unlock the rear differential for easier and tighter turns that won't tear up your lawn.

STANDARD 50MM RECEIVER

Connect your trailer to your RANGER with the standard 50mm receiver and maximize the impressive 680.4kg towing capacity.

PROPERTY MAINTENANCE

There's always another job to do around the property. The RANGER 530 comes standard with a versatile cargo box and makes it easy for you to load and unload supplies for the job.

HAUL MORE

Take advantage of the versatile bed box and haul all up to 226.8kg of your work supplies needed to get any job done.

GAS ASSIST DUMP BOX

For the larger loads, utilize the gas assist dump box to unload the bed of your RANGER.

PURPOSE-BUILT ACCESSORIES

Upgrade your RANGER with the easy-to-install Polaris Engineered Accessories. With the Lock & Ride functionality, you can easily create a more versatile box, haul more, and protect your SxS from the elements.
