PRODUCT DESCRIPTION

UNPRECEDENTED CAPABILITY

The RANGER XD 1500 is engineered to tackle the toughest jobs with industry-leading capability.

RANGER XD 1500 NORTHSTAR EDITION

Stay comfortable in harsh weather conditions with heat & AC and a fully-enclosed cab that's been redesigned for better cab sealing to prevent dust and water intrusion, while locking in the temperature from the climate-controlled cab.

BRUTE STRENGTH

Engineered to be stronger and more durable in nearly every way, featuring longer service intervals, a high-strength heavy duty steel chassis, and the industry-exclusive STEELDRIVE transmission.

STEELDRIVE TRANSMISSION

The industry-exclusive STEELDRIVE transmission features a 100% steel constructed belt that delivers smooth, precise operation and a fully-sealed, liquid cooled design for unmatched durability.

UNMATCHED COMFORT

Extreme duty doesn't mean you have to sacrifice on comfort. The RANGER XD 1500 NorthStar Edition comes equipped to maximise comfort and convenience with the most spacious and premium cab we've ever built, and rides like an absolute dream.

LOCK & RIDE MAX

Configure your vehicle for any job, work more efficiently, and get more done than ever before. With virtually limitless configurations and no tools required, you have the freedom to reconfigure on the fly and spend more time getting the job done.

XD 1500 NORTHSTAR STANDARD FEATURES:
