PRODUCT DESCRIPTION

INDUSTRY'S BEST CAB SYSTEM

Large snow falls and freezing temperatures are no challenge for this premium machine. The Premium RANGER Pro Shield Cab System and industry-exclusive heat ensure extreme comfort for property maintenance, plowing snow or getting you out on the frozen lake.

TOUGHER DOORS

The RANGER Pro Shield doors come with larger sealing surfaces, full crank-down windows and gaskets to keep the controlled temperature in and the dust out.

CLIMATE CONTROL

Enjoy a comfortable ride with the factory installed heating and air conditioning. Equipped with defrost vents and windshield wiper for a clear view.

EXCEPTIONAL INTEGRATION

The Polaris Pulse Electrical System powers your windshield wiper and dome light and allows you to add an enhanced audio system.

FIT FOR A KING

The aggressive stance of this premium machine, with 27" 6 Ply Maxxis tires and 13" of ground clearance, make it fit for a king. The full body skid plate delivers more under body protection from tough terrain and the class-leading 11" suspension travel delivers a smoother ride.

MASSIVE BUMPER

The industry's largest stock bumper is designed to bear the brunt of any terrain and protect the new body work and is loaded with accessory integration points.

HEAVY-DUTY TIRES

The massive 6-Ply 27" Maxxis tires are taller and wider with a larger footprint, providing outstanding traction and puncture resistance for rocky terrains and cacti on the ranch.

MORE PROTECTION

When the terrain rears its ugly head, the full-body skid plate and 13" of ground clearance provide the machine with more protection than

ever before.

BOX CAPACITY & VERSATILITY

The NorthStar Edition's cargo box redefines versatility with more cargo volume and innovative features that provide hauling solutions for any job. The new tailgate handle and latching mechanism make it easier to load and unload the bed box.

5-GALLON BUCKET RINGS

The wide box dimensions allow you to fit up to four 5-gallon buckets across a row of the bed so no item is left behind for the job.

HALF TON CAPACITY

The 1,000 LB Box Capacity allows you to carry heavier, larger items. Fit a regular-sized pallet in the bed of your RANGER.

REINFORCED TIE-DOWN POINTS

Utilize the four standard tie-down points to secure larger loads for any job.

- Industry Exclusive Heating & Air Conditioning System
- Premium RANGER Pro Shield Cob System
- Sport Roof with Premium Liner & Dome Light
- Lock & Ride Glass Windshield with Wiper/Washer System
- Lock & Ride Glass Rear Panel
- Premium Manual Crank Window Doors
- Larger Sealing Surfaces & Caskets
- Colour-Matched Painted Door Accent Panels
