## PRODUCT DESCRIPTION

### LEADING TRAIL CAPABILITY

Charge tight trails with a perfect blend of agility and stability from a 60" stance and compact wheelbase. Tighten every turn, accelerate instantly and take control over rugged terrain with an unstoppable combination of easy handling and toughness.

### ALL-DAY COMFORT

Rough trails are no match for the smooth ride of RZR Trail S. Enjoy the most comfortable trail ride ever with best-in-class suspension travel while additional leg room, improved seating, full-doors and more storage always puts you first.

### ADVANCED LED LIGHTING

Light up the darkest trail with the high-intensity brightness and clarity of available LED headlights and signature accent lighting.

### QUICKEST ACCELERATING

With 100HP, you get class-leading power-to-weight advantage for tight corner-to-corner acceleration and instant response.

### CONTROL THAT NEVER WAVERS

Take control with smooth power steering, class-leading turning radius, optimum sight lines and compact wheelbase to easily hug every turn and avoid trail obstacles.

### NON-STOP ADVENTURE

Keep the ride going without worry with durable clutches for smooth engagement, a strong belt life and new, more puncture resistant tires.

### CLASS-LEADING SUSPENSION

Soak up every bump, rut and rock with 12.5" of class-leading suspension travel controlled by 2" Walker Evans Needle shocks, and roll over the terrain with ease on 27" tires.

### EXCEPTIONAL RIDER ERGONOMICS

Find your sweet spot with a new adjustable steering wheel & position delivering more leg room and improved riding posture with adjustable seats and new cut & sew design.

### SUPERIOR PROTECTION

Ride challenging terrain with the added security and protection from rocks and sticks with new, sturdy full doors and wrap-around roll cage for rear coverage.
