PRODUCT DESCRIPTION

ADAPTABLE

When you need a side-by-side (SxS) that can keep up with work and your ever-changing adventures, you need the Polaris XPEDITION. Designed to pack more into your days and nights — it's a work friendly companion and the ultimate adventure-ready rig.

COMFORTABLE

We built a new category for the work/play adventure ready machine that can go further. And we made it more comfortable so the entire experience is even more fun.

COMFORTABLE ALL DAY AND ANY SEASON

Plush FOX® suspension keeps the ride smooth while the available enclosed cab, with optional heat and AC protects you from the elements.

CAPABLE

The Polaris XPEDITION is built to get deep into the backcountry and off the beaten track. With a range further than anything we've ever built, features to confidently tackle obstacles you might find on the trail and the power to handle technical terrain.
