PRODUCT DESCRIPTION

This attachment can be fitted to almost any loader or material handler from 45-75 hp. It must be the most useful tool you can think of because of due to the number of applications & tasks it can be used for, these include: rocks, logs, tree removal, hay bales, root rake, prunings, rubbish and much more.

The exceptional clamping force and 12mm super high strength AR450 abrasion resistant steel tines make this grapple a true multi tasker.
