## PRODUCT DESCRIPTION

It features a 52" (132.1 cm) TURBO FORCE® cutting and 26.5 hp Kohler EFI 747cc engine. It's designed to give you even more productivity. The smaller footprint takes up less space on the trailer when transporting. Mows 25% faster with speed up to 16.1 km/h, has a 39.75 litre fuel tank that allows you to go farther and work longer. We've eliminated the hydraulic hoses, reduced parts, no routine greasing and simplified the design to save you time. All GrandStand® stand-on mowers give you exceptional operator visibility which leads to less property damage and a higher quality of work. Best of all, great traction on slopes and manoeuvrability.

Multi-season flexibility by adding blower, aerator, dethatcher and bagger attachments.

Sleek, streamline design with elimination of extra hoses and parts.

Foldable platform has self-adjusting suspension and large open area to move around.
