

TORO GRANDSTAND STAND-ON 36" (86.4CM) (74534)

Rough bumps and challenging terrain are all in a day's work. Feeling them shouldn't have to be. The Toro GrandStand combines the speed and comfort of a zero turn rider with the on-and-off ease of a wide area walk-behind — creating a fast, manoeuvrable and more productive alternative. And now the GrandStand is even better with all-new next generation upgrades that add up to higher productivity, lower maintenance and easier service.
