

TORO GRANDSTAND STAND-ON 52" (132.1CM) (72505)

Rough bumps and challenging terrain are all in a day's work. Feeling them shouldn't have to be. The Toro GrandStand combines the speed and comfort of a zero turn rider with the on-and-off ease of a wide area walk-behind — creating a fast, manoeuvrable and more productive alternative. And now the GrandStand is even better with all-new next generation upgrades that add up to higher productivity, lower maintenance and easier service. This mower has a 22 hp Kawasaki V-Twin 726 cc engine and 132.1cm (52 inch) cutting deck. Simply put, choosing a GrandStand is a decision you'll always be comfortable with.
