

TORO GROUNDSMASTER 360 4WD REAR DISCHARGE 72" (183CM) (31223)

The Toro Groundsmaster 360 Quad-Steer 4WD reinvents the way a mower performs. Powered by a 36hp (26.8 kW) Kubota 4-cylinder diesel engine, this machine utilises revolutionary Quad-Steer all wheel steering to maximise productivity. Climb hills without slipping. Make 180° turns without tearing turf. Hug the turns or side hills while mowing in total comfort.

PRODUCT DESCRIPTION

All-Wheel Steering

The Groundsmaster® 360 features Quad-Steer™, true, all-wheel steering to achieve unmatched manoeuvrability, control and performance. This is the most innovative steering geometry ever offered in a cutting machine. We guarantee you've never driven a mower like this before

Ergonomic Design

Controls placed at your fingertips, exceptional line of sight forward, to the sides and rear-ward and comfortable seating. The Groundsmaster® 360 is designed with optimal operator comfort in mind. Even after hours of driving, you won't want to quit.

Great Traction, No Turf Tear

A wider track, combined with a hydrostatic drive system offers exceptional stability and control, even on hillsides. With the Groundsmaster® 360 there is no turf tearing when making sharp turns. *Always use caution when driving and avoid unsafe terrain.

Convenience and Efficiency

The Groundsmaster® 360 is a more productive cutting tool than anything you've ever owned. Not only does it cut faster, it offers maintenance and attachment efficiencies that help operators do more jobs than just cutting grass.

Durable Engine and Deck

The Groundsmaster® 360 comes with the durability you've come to expect from Toro®. From the Kubota® engine to the superior deck construction, you can count on years of performance.
