SKU	TORO-21836

PRODUCT DESCRIPTION

Ideal for lawns up to 200 square metres, the Toro 36 cm Recycler 60V MAX* Battery Mower starts with the push of a button and can be set for bagging or recycling. The 36 cm cutting width covers a lot of ground while maintaining excellent manoeuvrability. The Flex Force Power System includes a 600W brushless 60V motor, free of engine exhaust emissions. The RunSmart Software maximises run time and performance by automatically adjusting the speed of the motor to match the conditions. The upright SmartStow feature saves storage space and provides easy access for cleaning under the deck. Best of all, your 60 Volt battery is compatible with all the other products in the Flex-Force battery-powered lineup. L135 battery (2.5 amp-hour, 135 watt-hour) and charger included.

*Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.

Key Features:

- Power at the touch of a button
- SmartStow
- Easy-Store Grass Box
- Smart Power
- Easy Height of Cut Adjustment
