PRODUCT DESCRIPTION

Flexibility is at the core of the Toro 43 cm Recycler Self-Propelled 60V MAX* Battery Mower. Adjust the speed to your liking, set it for bagging or recycling, and more. The wide 43 cm cutting width makes quick work of lawns up to 300 square metres. The Flex Force Power System includes an 850W brushless 60V motor, free of engine exhaust emissions. And the RunSmart Software maximises run time and performance by automatically adjusting the speed of the motor to match the conditions. The SmartStow feature lets the mower be stored upright, saving storage space and providing quick access for cleaning under the deck. Easy push-button start. Best of all, your 60 Volt battery is compatible with all the other products in the Flex-Force battery-powered lineup. L216 battery (4.0 amp-hour, 216 watt-hour) and charger included.

*Battery manufacturer rating = 60V maximum & 54V typical usage. Actual voltage varies with load.

Key Features:

- Power at the touch of a button
- Self-Propelled
- SmartStow
- Easy-Store Grass Box
- Smart Power
- Easy Height of Cut Adjustment
