

# TORO SUPER RECYCLER PERSONAL PACE 19" (48CM) (21681)

Other mowers cut grass in a way that causes clippings to pile on top of the lawn. Our uniquely engineered Super Recycler cutting system recuts the grass into finely shredded clippings that go back into your lawn. Whether you're mulching to save time, naturally composting your lawn or reducing fertiliser use, the Super Recycler gives you the ultimate in mulching performance.
