Turf Tough. Bull Strong.

Over 100 years of Pro DNA course through the veins of every mower we build. You get the same commercial-grade features that pros rely on for your own pristine, professional-looking lawn.

Comfort. Game On.

If you haven't sat in one of these, you haven't felt how luxurious riding mower seats can be. The gaming-style seat gives you big time support exactly where you need it.

Sturdy Step-On.

The four-point deck hanging system doesn't flinch under your feet when you get on or off the mower.

Traction for Any Terrain.

Beefy hybrid-tread rear tires give you maximum traction without tearing up your turf.

Better Fill. Fewer Spills.

Automotive-style fuel fill means less mess as you top off the huge 5 gallon tank.

Shut Down Sprayback.

There's nothing good about getting blasted with filthy backsplash. That's why spray blocking fenders come standard—to keep tire spray off your engine, and more importantly, you.
