<b>Weight</b>	773kg
<b>SKU</b>	VT-4520Y

## PRODUCT DESCRIPTION

Powered by 25 hp Kubota diesel D902 engine, the 4520Y model tractor was built with you in mind. From the advanced electrical system, redesigned frame, more safety and comfort features; the 4520 offers the reliable performance, astounding versatility and comfortable handling you have come to expect.

Like all Ventrac tractors, the 4520 utilises All Wheel Drive and an articulating chassis with a low center of gravity to provide superior traction, braking, stability, and security on tough terrain and slopes without disturbing turf when turning.

Ventrac has become the #1 choice for versatility for ground's care professionals. Combining the perfect blend of peak power and agility with front-mounted attachments for superior visibility, pivoting frame for manoeuvrability, and proper weight distribution for balance and stability, it's time to elevate your Ventrac experience to a whole new level.

### Key Features:

- Quick connect out-front attachments
- Flexframe
- All-wheel drive
- Light footprint
- Low profile design
- Over 30 Ventrac mount attachments
