

## VICON FANEX 1124C TEDDER

The Fanex 1124C is a carrier frame tedder purpose-built for use with smaller tractors. The wide track width ensures stable running characteristics during road transport. Due to the carrier frame concept, the lifting capacity of the tractor is not a limiting factor and it can be operated with tractors starting from 70hp.

### PRODUCT DETAILS

<b>Make</b>	Vicon
<b>Model</b>	Fanex 1124C
<b>Working Width</b>	11200mm
<b>Rotors/Tines</b>	10/6
