

VICON RV5216 SUPER CUT 14 BALER

High Performance Variable Chamber Baler. The all-new RV 5216 features the new patented PowerBind net wrapping and Intelligent Density 3D software package for easy selection of bale density. This model offers truly intelligent baling with a clean raking 2.2m 5 tine bar pick-up, choice of intake system, programmable 'multi chamber' bale density system and user friendly ISOBUS compatible controls. The two versions offer bale diameters from 0.60m up to 1.65m. The bale diameter is easily adjusted through the control terminal.
